
GILLINGHAM HOCKEY CLUB ACCEPTABLE USE POLICY

www.gillinghamhockeyclub.co.uk

Gillingham Hockey Club understands the importance of new technology for children and young people's development. However we recognise that relevant safeguards need to be put in place by sports clubs to ensure children and young people remain safe whilst online or using social media (Gillingham Hockey Club website and Gillingham Hockey Club Facebook page)

We ask that all parents/guardians spend a few minutes to read through and discuss this policy with their child/children and then sign and return this form to either Steve Way, Sarah Nixon or your team captain to be passed on to our welfare officer.

- I will be responsible for my behaviour when using the Internet and other online media linked to Gillingham Hockey Club, including the resources I access and my use of language.
- I will not use social networking or the Internet to send anyone material that could be considered threatening, offensive, upsetting, bullying or illegal.
- I will not give out my personal information such as, name, age, address or telephone number.
- I will not share passwords with anyone else.
- I will not arrange to meet someone unless accompanied by a parent/guardian
- I understand that these are rules designed to keep me safe and if they are not followed my parents/guardian will be contacted
